Terms & Conditions for International Ordering

Order Information

What are the VAT charges?

VAT is included in the pricing for EU countries. All orders outside the EU will be zero rated and customs duties will be payable on import by the customer.

Is the item in stock?

All items available to order are held in stock. Should an item be temporarily out of stock, you will be notified by the Nikken Customer Services Team and given the choice to continue with your order or wait until stock is available.

How can I pay for my order?

Orders may be paid by credit card only (Visa or Mastercard). Once your payment has been accepted you will receive an order confirmation email from Nikken. Please make a note of the details of your order and keep it safe.

Can I ship my order to a different address?

You can send your order to any address within your home country. If you need to change your existing registered delivery address you will need to amend your registration details. Please enter your delivery details, together with contact details at that address to assist delivery if needed.

Can I ship my order to another country?

No, we are only able to ship orders within your home country.

I would like to cancel / amend my order.

Once your order is paid, items are dispatched promptly so it is not possible to amend your order. However, should you wish to cancel your order and receive a refund, please refer to our section on returning items.

Delivery Information

How long will the order usually take to be delivered?

Most orders can be dispatched within two working days of receiving payment. However, please allow up to 14 days for delivery. Orders shipped outside the European Union will be dispatched, but may take a little longer. Once your parcel has reached your local point of import, you will be notified and requested to pay before receiving your goods.

How are delivery charges calculated?

Delivery costs will be calculated according to the value of your order and your country of delivery. Shipping charges will be calculated for you. If your country of residence is not displayed, please contact the Customer Service team by emailing customers@nikken.co.uk

Where is my order?

Please allow up to 14 days for delivery. You will receive an automated email with details of your shipment and tracking information. Please use this to track your delivery. Please allow at least 24 - 48 hours from receipt of email before tracking your order. If you still have not received your order after 14 days and cannot locate your order, please contact our Customer Services team for assistance, quoting your registered ID and order number. Whilst we make every effort to deliver goods within the quoted timescale, we shall be under no liability for any delay or failure to deliver your order within the timescale.

Please note that larger items (such as Naturest® Kenkopad®) will be delivered separately from any smaller items ordered.

Returns Information

The item is not what I ordered.

If you discover we have sent you an incorrect item, we will exchange it for the right one. Before returning the item, please contact our Customer Services team by phone on: +44 1908 202422 or by email at: customers@nikken.co.uk to receive a returns number and address.

Please then return the item to our warehouse, writing your returns number on the outside of the parcel. We will refund your postage and send you the correct item free of additional delivery charges. However, please note that if you exercise your right of withdrawal when you have received the correct item we will not pay for the costs of sending the products back.

In the event of Nikken UK Limited sending you a replacement for a damaged, defective or incorrect item, you must return the original item to us within 30 days of our email confirming the issue of the replacement item. Provided you return this to us within the 30 days you will have nothing more to pay. If you do not return the original item within the 30-day period, we reserve the right to charge an amount equal to the price of the replacement item to the payment card you used for the order. Please note that all sizes and measurements are approximate but we do try to make sure that they are as accurate as possible.

Sometimes the product specifications from the manufacturer may change, in which case we will do our best to offer you a substitute of the same or better quality at the same price. If you are not happy with the replacement, you can return it to us within the nine working day period, in accordance with our Returns Policy.

An item is missing from my order.

Please check the parcel(s) carefully as some smaller items may have fallen to the bottom of the box. Please also check your delivery note. This should indicate if any parcels are still to be delivered. Please note that larger items will be delivered separately from any smaller items ordered. Should you have received all deliveries, but the item is still missing, please contact our Customer Services team by phone on: +44 1908 202422 or by email at: customers@nikken.co.uk.

Can I exchange an item for something else?
